## What are the Shariah concepts applicable to ezPrime?

### Takaful

This is an arrangement based on mutual assistance, where takaful participants agree to contribute to a common fund. This fund provides mutual financial benefits which are payable to the takaful participants, or their beneficiaries, if pre-agreed events occur.

### Tabarru'

This is a contribution from the participants to the General Risk Investment Account (GRIA). The participants agree to relinquish all or a portion of their contribution to pay the takaful benefits.

### Qard

This is an interest free loan which is provided by the takaful operator in the event of a deficit in the General Risk Investment Account (GRIA).

### Wakalah

This is an agency contract where the participant appoints the takaful operator to manage Takaful contributions by charging an agreed Wakalah Fee for their services.

### Ju'alah

This is a commission (reward) for good performance in managing the General Risk Investment Account (GRIA). It entitles the takaful operator to an incentive equal to 50% of any surplus sharing from the General Risk Investment Account (GRIA) after the end of each financial year.
